Features:

- **Maximun transparency and shock improved.**
- **Unerasable numbering, chemically engraved.**
- **Colours fields for the numbers every 5 cm.**
- **Grades on the Hypothenuse.**
- **Esay/fast protractor.**
- **Zero right on the corner and numberings on two sides, ideal for the left hand writers.**
- **Ink edge on two sides.**

With _____ set squares it is now much easier to draw: the Zero on the corner allows to start drawing right from the point without gaps. Moreover the grades indication on the hypothenuse allows the construction of geometrical figures. This instruments is ideal also for left hand writers too. _____ makes your learning much easier.
